2012 FALL STEWARDSHIP DRIVE

Thank you once again for your responses to the stewardship drives. Processing has begun, but there is still time to make your much-appreciated commitments. Extra parish forms are in a file folder on a table in the narthex. The Archdiocesan forms can be found at <https://give.archomaha.org>. Please place completed forms in the collection basket, in the labeled box in the

narthex, or send them to the parish office. Archdiocesan forms may also be mailed directly to the Archdiocesan office. As of October 15, 2012, twenty-eight of our parish households pledged \$3645 toward our Archdiocesan Annual Appeal goal of \$14,677.99. This is about 25% of our goal. If you haven't yet made your stewardship commitments, please prayerfully consider how you will reflect God's greatness. When we share our gifts, God can and does amazing things!

MAY YOU ALWAYS WALK WITH GOD IN WHATEVER YOU DO, WHEREVER YOU GO.

From the Pastor's Desk

Here is a statement from the US Catholic Bishops after the Vice Presidential debate (October 12):

Last night, the following statement was made during the Vice Presidential debate regarding the decision of the U.S. Department of Health and Human Services (HHS) to force virtually all employers to include sterilization and contraception, including drugs that may cause abortion, in the health insurance coverage they provide their employees:

"With regard to the assault on the Catholic Church, let me make it absolutely clear. No religious institution-Catholic or otherwise, including Catholic social services, Georgetown hospital, Mercy hospital, any hospital-none has to either refer contraception, none has to pay for contraception, none has to be a vehicle to get contraception in any insurance policy they provide. That is a fact. That is a fact."

This is not a fact. The HHS mandate contains a narrow, four-part exemption for certain "religious employers." That exemption was made final in February and does not extend to "Catholic social services, Georgetown hospital, Mercy hospital, any hospital," or any other religious charity that offers its services to all, regardless of the faith of those served.

HHS has proposed an additional "accommodation" for religious organizations like these, which HHS itself describes as "non-exempt." That proposal does not even potentially relieve these organizations from the obligation "to pay for contraception" and "to be a vehicle to get contraception." They will have to serve as a vehicle, because they will still be forced to provide their employees with health coverage, and that coverage will still have to include sterilization, contraception, and abortifacients. They will have to pay for these things, because the premiums that the organizations (and their employees) are required to pay will still be applied, along with other funds, to cover the cost of these drugs and surgeries.

USCCB continues to urge HHS, in the strongest possible terms, actually to eliminate the various infringements on religious freedom imposed by the mandate.

Mary, Mother of God & patroness of the United States, pray for us.

Fr. Beran

Stewardship – October 21st - "For the Son of Man did not come to be served, but to serve and to give his life as a ransom for many." (Mark 10:45). Jesus came on this earth to serve. Anyone who wishes to follow Him must also be willing to give time, talent and treasure to serve God's people, just as Jesus gave His very life for us. True disciples are true stewards, giving service and sacrifice, just as Jesus taught us.

We pray for all married couples: that they may express ever more fully the generous love of God, especially by joyfully accepting the great blessing of children.
