Stewardship – March 31st *"He went about doing good and healing all those oppressed by the devil, for God was with him."* (Acts 10:38)
 As we celebrate the Resurrection of Our Lord, we must realize that in rising from the dead, Jesus declares to us that He is truly God and His way is the real way. His commands are real. We cannot ignore them any longer. We must throw off our chains of greed, materialism and selfishness and rise to a new level of giving and doing good, just as Jesus called us to do.

From the Pastor's Desk

Happy Easter! On behalf of the deacon couples, the staff and myself, I wish you and your families a great Easter! The Lord is truly risen!

Easter is associated with a lot of symbols like the Easter bunny, eggs, etc. The natural question is why do we have these symbols and what do they mean? Well, here are some answers taken from www.theholidayspot.com :

Easter eggs & baby chicks: Eggs and chicks symbolize new life. Eggs have been a symbol of spring since ancient times. An egg also is a symbol of the rock tomb out of which Christ emerged when he arose again. The chick, hatching out of the egg, symbolizes new life or re-birth.

Easter bunny: The rabbit, or hare, was a symbol of abundant new life in ancient times, and reminds us of spring and new life.

Easter Lilies: The white blossoms symbolize the purity of Jesus. Lilies, emerging from the earth in the spring, also symbolize new life and the resurrection of Christ.

Easter hats & wearing new clothes for Easter: Symbolizes new life offered through the death and resurrection of Jesus.

Our society has become such a literal one that we often fail to appreciate things with symbolic meaning. When we see these things that are associated with Easter, it is easy to merely see a bunny, an egg, or lilies. With an appreciation for symbols, we can see these Easter traditions as reminders of the Resurrection of Jesus.

May we know the joy of Mary, our patroness, at the Resurrection of her son, Jesus.

Contact HHS regarding the contraceptive/abortifacient mandate!

In February 2013, the Obama administration issued a "proposed rule" suggesting revisions of its earlier mandate requiring most health plans to cover sterilization, contraception and abortion-inducing drugs. The USCCB filed comments with HHS on this new proposal. Go to www.nchla.org/actiondisplay.asp where it explains to HHS why its latest proposal still violates religious freedom and rights of conscience. You can also add your own personal message. There is a deadline of Monday, April 8th to send your own comments. For more information on religious liberty and conscience rights, including the detailed comments submitted by the U.S. Conference of Catholic Bishops on the Administration's proposal, see: www.usccb.org/conscience. For a special fact sheet on the new proposed rule, see: www.usccb.org/issues-and-action/religious-liberty/conscience-protection/upload/Feb2013-Version_Mandate_Factsheet.pdf.

Take a moment each day to read and reflect on these passages from Sacred Scripture. It's a wonderful way to join our personal prayer with public prayer of the Church.

Two weeks ago we walked 250 spiritual miles and 120 physical miles, for a total of 370 miles. We have already made it to the shore of Israel. This next week we will be walking to Jerusalem. This next week, let us walk with Him more closely than we ever have before, as we experience with Him the week that gives us and the world meaning. Find out next week if we made it to Jerusalem for Easter!
