The story of the Loaves and Fishes shows us that when we share what we have - even if it doesn't seem like that much - miracles can happen! Do not think that your gift is too small or insignificant! God blesses all the gifts we offer and makes them wondrous.

St. Mary's Pastoral Council is helping to plan the Parish Picnic for September. This year it is our goal to seek as many helpers and suggestions to make this a real united event. Please list an idea for a theme to use for our picnic. Last year it was "Fun in the Sun, with the Son." The council then will select the theme from these suggestions. Please put this in the box marked "Parish Picnic" located on the table as you come into the church. Thank you!

From the Pastor's Desk

Technology is growing and changing every day. Email, internet, texting and social networking are taking up more and more of people's lives. Even St. Mary's has adapted to these changes through online/automatic giving and a Facebook page. Along with increased online communication has seemed to come a rise in rudeness and even bullying/abusive language. Electronic communication seems to be more anonymous and impersonal, so people can be tempted to say/write things that they would never say to someone in person. With this in mind, I decided to come up with some pointers on how to act in a Christ-like way online.

1. Know that what you put online is there permanently and for the whole world to see. In other words, take time to think before you post, email or text something. Especially with pictures and videos, but also with words, you need to be careful.
2. Is what you are communicating online something you would say to that person face-to-face? If not, then don't send or post it.
3. The Golden Rule: "Treat others as you would want to be treated". Ask yourself if you would want someone saying that about or to you online?
4. What would your mom, dad, grandma, grandpa, son, or daughter think about what you are about to post? If you would not want them to see or read it, then don't post it.
5. Does what you are communicating online reflect your Christian values? Is what you are saying or showing online going to make people better and inspire them?

So the next time you post something on a website or send an angry email, try to keep these suggestions in mind. I know I will.

Mary, Mother of God, pray for us.

The Backpack Program provides a weekend supply of nutritious food for children when school lunch and breakfast is unavailable on a weekend. Each food bag contains 2 breakfasts, 2 lunches, 2 snacks, and 1 can of vegetables and 1 can of fruit. All food is nonperishable and provided to children free of charge. It is our hope these resources will support the health, behavior, and achievement of every student that participates. Though the program is intended to help those children whose families find it difficult to have enough food for the entire month, **all children are eligible for this program.** The program is run completely by volunteers who help pack the food bags. The program is funded through the generous gifts of the Wayne Food Pantry. Due to the overwhelming response to the program - they are going to try and continue to provide food bags to these children throughout the summer. What they need are volunteers and donations (either in the form of food and/or monetary). Each backpack costs 6.80 and currently they are providing over 70 of these each weekend. If anyone can help with volunteering and/or donating please contact the Wayne Food pantry at [402-375-2669](tel:402-375-2669) or gpcwayne@gmail.com
