Stewardship – October 13th *“Has none but this foreigner returned to give thanks to God?” Luke 17:18.* Jesus seems so sad and disappointed in the nine lepers who did not return to thank Him. Do we regularly return to thank God? Or do we run off to our busy lives, taking for granted all the wonderful blessings that God gives to us every day?

From the Pastor’s Desk

I can honestly say that I have never been more proud to be a part of St. Mary’s and a part of the community of Wayne. I have seen a lot of people with generous hearts who model Jesus, who came not to be served but to serve. From people helping families who had lost their homes to people organizing benefits and prayer services, it is great to see such generosity.

Seeing people being concerned for their neighbors in need is truly inspiring and gives me hope for this community and also for the world. If we can be united, then maybe Christians could some day become one again. If we can be united, maybe our national leaders can work together on economic and health care issues. If we can be united, maybe places in the world that know violence (like Syria) can find pathways to peace.

With people rallying together after the tornado, I especially want to encourage people to take part in the community Soup Supper this Sunday. The details are in this bulletin. It is a good chance to thank all the volunteers and any profits from the free-will offering will go to help those impacted by the tornado.

Also, as I write this, a community prayer service is in the works. I do not know the exact details but they may be in this bulletin too.

I pray that we can continue to support one another, especially those who are in need of our help.

Mary, Mother of God and our patroness, pray for us.
Fr. Beran

WHERE FAITH AND KNOWLEDGE MEET

“I believe that we learn by practice. Whether it means to learn to dance by practicing dancing or to learn to live by practicing living, the principles are the same. In each, it is the performance of a dedicated precise set of acts, physical or intellectual, from which comes achievement, a sense of one’s being, and a satisfaction of spirit. One becomes, in some area, an athlete of God. Practice means to perform, over and over again in the face of all obstacles, some act of vision, of faith, of desire. Practice is a means of inviting the perfection desired.” -Martha Graham
