Stewardship –October 25th - “And Jesus said to him, ‘Go your way; your faith has made you well.’ And immediately he received his sight and followed him on the way.” (Mark 10:52). Faith is believing in something even though you may not be able to see it. Many people think that miracles don’t happen anymore. But, if you focus on the positive, not the negative, focus on your blessings instead of your hardships, miracles will seem common.

News and Notes from the Pastor’s Desk

Here are some things going on at St. Mary’s: **“Little Saints”**-- A program during the 10am Mass for toddlers through kindergartners. The kids go to the church hall for the first half of Mass. They learn about the Gospel reading, do an activity, and maybe sing a song. The goal is to help the kids grow in their faith along with allowing their parents to get more out of Mass. If you are interested in helping with Little Saints, let me know.

Technology Team—About a month ago, a team of people was formed to come up with a technology plan for our parish and school. Their plan will include hardware/software, training parish staff, and maintaining/budgeting. The ultimate goal is to use technology to be better connected to each other as a parish and to grow in our faith.

Recent Collections—Over the last few months, our Sunday collections have been down quite a bit. As of last weekend, we have been averaging about \$806 a week under budget (\$12,082 to date under budget). There seem to be a few local and national economic factors that could be impacting us, so I do not think it is necessarily a lack of generosity. All I would ask is that people continue to give what they can. If you are able to give a bit more, please do. If this trend continues, then I will work with our Parish Council and others to come up with a plan going forward. I just wanted you to be aware of it.

WSC Catholic Ministry—The Catholic Newman Club at WSC has really grown! We have 25 small group Bible studies on campus with 116 participants. At the 9pm Mass on Sunday nights, we get 60-70 students. On Tuesday nights at 9pm, we have had close to 50 attending. To put this in perspective, we have more students involved at WSC than UNO does (even through UNO has 4-5 times more students). UNL has twice as many Bible study participants, but they also have 7 times more students on campus. This means we are connecting with a very high percentage of students at WSC. This is all being done without a Newman Center building.

Pray for all of these activities and concerns. Mary, patroness of our parish, pray for us.

Fr. Beran

World Mission Sunday Collection - Thank you for your generous response of \$1,272 to the Society of Propagation of the Faith on World Mission Sunday. Some people are called to go serve in other countries to develop the Church and serve its people, but all of us can pray and support the Missions from right here in the parish.

LITTLE SAINTS - We are a few weeks into our new Little Saints Program and are continuing to work to make this a great experience for your toddler and pre-school aged children. We are still looking for volunteers. If you would like to help out we are asking for your time only 1 Sunday every other month. If you already volunteered to help, please check the calendar at the back of church for your date or to sign up for one. If you would like to sign up or have questions, please call Mandy Parker at 402-369-0557.
