From Your Pastor ~ Fr. Mark Beran

Over the past 8 years, I have come to love this parish and the community more and more. I am very grateful that God led me to Wayne for college and led me back as a priest. I can't thank God enough for putting me in this unique and wonderful place. I am truly blessed. There are a few things that make this place so special to me.

St. Mary's and the town of Wayne are blessed to be connected with Wayne State College. While there are challenges that come with being a college town, there are also advantages. How many parishes in the country have a bunch of college students attending Mass? WSC is what brought me here in the first place. In fact, some of the people who go to daily Mass still remember when I started to come to daily Mass at St. Mary's during my senior year. It was in college and through this parish that my faith came alive and I first felt the call to be a priest. St. Mary's is blessed to have these college students and the college students are blessed to have St. Mary's parish.

Our parish has young families. We shouldn't take this for granted. If you go to rural parishes in Nebraska, you will not see many families with young kids. Visitors will often tell me how great it is to have kids at Mass. For me, I have the joy of getting to see these kids grow. There are a few families where I have done their wedding and baptized their children. Some kids that I baptized my first year at St. Mary's are now in 1st or 2nd grade. The kids of the parish have become "my kids". Kids are always a blessing!

I love this parish and I am truly blessed to be the priest here. Hopefully this article helps you to see this faith community with fresh eyes. This is a truly special place! My hope and prayer is that St. Mary's will grow and become even more wonderful in the future.
